## 2. LICENSING ACT 2003

The Hall has a Premises Licence (Number 18/00096/PremV) issued by Basingstoke & Deane Borough Council for Music and Dancing and for the Sale of Alcohol. The Licence is kept on the Hall premises under the control of the Committee. The Hirer is responsible for ensuring compliance with that Licence during the period of hire to the extent applicable and as the delegated responsible person where appropriate and required by the Licence. In particular the Hirer is responsible for:

- a) the behaviour of all persons on the Hall premises, including when arriving or leaving, and for the observance by them of public order, noise, decency, and the avoidance of drunken or disorderly conduct, including ensuring that drunken or disorderly persons are not admitted to the premises.
- b) Ensuring that the safety and evacuation requirements are complied with and understood by those present. The Hirer must take all care to avoid fire risk, and must ensure all users are aware of the location of the Hall exits and firefighting equipment.
- c) Ensuring that the permitted time for carrying out the licensable activities is not breached.
- d) Ensuring that the sale of alcohol is made only by an individual holding a valid Personal Licence and staff he/she has trained and authorised to allow the sale or supply of alcohol. The Hirer must inform the Bookings Secretary of the name and address and Personal Licence Number of the person appointed at least two weeks before the hire commences. Failure to do so will result in the hire being deemed to have been terminated with loss of deposit if appropriate.
- e) Ensuring compliance with the Hall's Age Verification Policy (available separately) aimed at ensuring that no alcohol is sold to anyone under 18 years of age.
- f) Ensuring compliance with any other conditions detailed in the Hall's Premises Licence (available separately) that is not specifically covered in this document, including adherence to the availability of the minimum measures and availability of free drinking water on demand.

Temporary Event Notices (TENs) should not be required and will not be accepted by the Hall without prior consideration and written permission given by the Committee. Please contact the Bookings Secretary in the first instance.

It is the Hirer's responsibility to obtain any additional licences and registrations. Examples include:

Commercial hirers (i.e. where the Hirer makes a charge for admission or otherwise makes a financial gain from the hire of the Hall) require their own PPL Licence if they use PPL-controlled music. The Hall's own PPL licence does **not** extend to the Hirer (unlike the PRS licence).

Hires of a purely domestic or family nature (such as a wedding reception, party or gathering where the attendance of guests is by personal invitation only with no charge made for admission) do not require these licences.

- c) Food Hygiene and Environmental Health Authority requirements for cooking or serving meals (refer to the Food Hygiene Regulations (England) 2005, effective from 1 January 2006).
- d) Appropriate insurance to provide adequate cover for any liability of the Hirer arising from the activities being carried on during the hire.
- e) Complying with all conditions and regulations made in respect of the premises by the fire authority, the local authority and the local magistrates' court or otherwise.

## 4. EXTRA CONDITIONS APPLICABLE WHERE ALCOHOL IS AVAILABLE

The Committee requires that alcohol can only be sold by a person holding a Personal Licence who is responsible for the proper regulation of the sale of alcohol.

In addition, the following Hall Hiring Conditions apply to all functions where alcohol is available including:

- where a licensed bar is provided
  - where users are provided with alcohol as part of the function, either free or as part of a ticket price
  - where users bring their own alcohol
- a) The Deposit is increased to £250. The deposit will be lost in the circumstances shown on the booking form.
  - b) Two persons (including the Hirer if appropriate) over the age of 25 must guarantee that the function will comply with the Licence Conditions concerning behaviour, lawful use, cleanliness and times. That is, that all persons on the Hall premises will observe public order, noise and decency; that the premises will not be used for any unlawful purpose or in any unlawful way; to leave the premises, its contents and the whole site in a clean and tidy condition and to vacate the site at the agreed time.

## 5. INSURANCE AND INDEMNITY:

The Committee has full Insurance cover, including Public Liability, for use of the Hall by the Committee and for events run under the auspices of the Committee. To avoid duplication the Hall Insurance does NOT cover any Hirer where it would be expected that such Hirer should have their own insurance in place, such as by Associations, Clubs and Groups or where charges are made for attendance. Whilst not a condition of booking, the Committee strongly advise that private hirers also consider suitable insurance cover.

The Hall is situated within a rural location with livestock and stabling in close vicinity.

- a) Bringing fireworks into the Hall is strictly forbidden.

It must be noted that the Hall does **not** have a TV licence.

In line with TV Licensing legislation, Hirers accessing TV on the Hall premises do so for their own personal use and can only do so on mobile devices not connected to the mains power.
